* In December 2025, the EU co-legislators finalised the [‘omnibus’ package](#) under which the scope of entities that are required to apply the ESRSs has been significantly narrowed and the option for the EC to move to reasonable assurance has been removed. The reduced scope and assurance requirement is reflected in this publication. Also in December 2025, EFRAG submitted [technical advice](#) to the EC on how to simplify the ESRSs. As a next step, the EC will consider EFRAG's technical advice and amend the ESRSs.

** ‘Wave one’ entities are still required to report for financial years 2025 and 2026, unless they benefit from a Member State option transposed into national law exempting entities which do not meet the 1,000 employees and the EUR 450 million net turnover threshold from their reporting obligation.

*** ‘Wave one’ entities are still required to seek assurance for financial years 2025 and 2026, unless they benefit from a Member State option transposed into national law exempting entities which do not meet the 1,000 employees and the EUR 450 million net turnover threshold from their reporting obligation.
